Data Protection Statement

I understand the information I give to you, Abbey National plc (Abbey) or you hold on me may be shared with and used by your group of companies, service providers or agents who may be located in other countries. I understand that you will make sure that my information is only used in accordance with your instructions and your own strict internal confidentiality policies. If you transfer my information to another country, you will also make sure that it is given the same levels of protection as required under the UK Data Protection Act. I understand that the online application process is administered by Hays Specialist Recruitment plc., / Hays Resource Management in their capacity as provider of outsourced recruitment services to Abbey. Hays will store my information solely under Abbey's instructions, for processing by Abbey.

I agree that my information may be used in this way for administration purposes and:

- To advise me of any vacancies that may be of interest to me now and in the future.
- To assess my suitability for the position(s) I have applied for with you.
- For recruitment and employment purposes.
- For research and statistical analysis.

Whether or not my application is successful, my information will be retained and held only for as long as is necessary to comply with your legal obligations and it will then be securely destroyed. I understand I have the right to see certain records that you hold on me on payment of a fee and that an information sheet explaining my rights is available from any Abbey branch.

E-mail Notice

e-mail messages may not be secure and may be intercepted by third parties. If you send us an e-mail containing confidential information about you, you agree that you do so at your own risk and will not hold Abbey National plc (Abbey) responsible for any loss that you suffer as a result.

By submitting your application you confirm that you have read and understood this Data Protection Statement and e-mail notice and wish to continue with your online application.
